

### Squares and Square Roots Practice

Name \_\_\_\_\_ Period \_\_\_\_\_

Find the area and side length of each square. Complete the table.

Area	Length of a Side
1	
4	
9	
16	
25	
36	
49	
64	
121	
2	
5	
10	
20	
29	
	$\sqrt{13}$
	$\sqrt{52}$

Find the exact length of each line segment. Do not put a decimal approximation.
