

# **Warm Up 5.7**

**We can organize  
quadrilaterals based on  
their defining attributes.**

**Make a graphic organizer  
to show how the  
quadrilaterals on the next  
page relate.**

**parallelogram**      **square**

**rectangle**      **quadrilateral**

**rhombus**

**Now, how would you  
fit the following into the  
organization:**

**kite**

**trapezoid**
