### Warm Up 0.5

For the expressions below use the symbols from the "Serving Up Symbols" sheet.  
Provide the missing information, either the expression or the description of the expression.

	Expression	Description
1.	$F \times H$	
2.	$\frac{B}{P}$	
3.	$\frac{S \times P_L}{F}$	
4.		Amount of money boys spent on lunch
5.		Total number of items in a lunch

In working with many of the symbols in the lunch room there are many rates to consider.

Find the unit rate for each of the following.

6. Tom traveled 180 miles in 3 hours.

7. Fran earned \$400 in 50 hours of work.

8. Walter got 40 hits in 20 baseball games.
